

Microgen[®] LISTERIA-ID

This accurate, easy-to-use, AOAC Approved, Listeria identification panel is ideal for food, environmental, clinical, and pharmaceutical laboratories. Presented in convenient microwell format, this system provides a flexible identification platform which in turn provides savings in cost, time and key laboratory space (incubation and storage). Free identification software is included.

- **Validated** - AOAC-RI Approved
- **Rapid** - Results in as little as 24 hours
- **Incubator Only** - No additional equipment is required
- **Hemolysis Test** - Enhanced, built-in hemolysis test- no additional tests required
- **Software** - Identification software is included

20 tests.....MID67
